1. For this month's EEAC meeting, you are asked to attend the Focus Group, entitled "**C The Future**" scheduled, Thursday, April 26, 6:00 p.m. – 7:30 p.m. at The Center of Clayton, 50 Gay Avenue, Clayton, MO 63105, Multipurpose Room A.

The City of Clayton has kicked off its strategic planning effort newly entitled "C The Future." As we celebrate our centennial as a city, we are renewing our vision for what Clayton is in the future. We are honored to have several residents and corporate citizens serve as our Steering Committee. We have also engaged The Novak Group to assist us with the public engagement process and Strategic Plan Development.

The process will contain many elements to ensure we have built a very strong, diverse and reliable foundation of community input and participation. The Steering Committee identified several categories of individuals we believe will help bring important perspectives to our strategic direction for the future through focus group participation.

One of those focus groups is comprised of our boards and commission members for Clayton. If you are available we invite you to help us develop a very good understanding of the current environment and hopes, needs and desires for the future in Clayton through your participation in a facilitated focus group of fellow board and commission members.

We are asking for approximately 90 minutes of your time and believe, due to the high quality of participants you will find it interesting and valuable.

We have scheduled this focus group for **Thursday, April 26, 6:00 p.m. – 7:30 p.m.** It will take place at **The Center of Clayton, 50 Gay Avenue, Clayton, MO 63105, Multipurpose Room A.** Please let us know if you or a representative will be able to attend by e-mailing June Waters at jwaters@ci.clayton.mo.us or 314-290-8469.

Thank you for your investment in Clayton and in advance for your help and support for this vital step towards our continued future success.

Sincerely,

Linda Goldstein
